

# PHIN & IZZY

## Phinizy Swamp Nature Park

Hi! Meet Phin & Izzy. They live at Phinizy Swamp Nature Park, along with many other species of animals that enjoy a wetland environment. Wetlands play an important role in keeping our water clean, flood control and wildlife habitat. Animals like Phin & Izzy make up an important part of the ecosystem. Other animals at the park include beavers, birds, armadillos, bobcats, alligators, river otters and more!
